There will not be a June meeting of Traffic Safety Commission. The June meeting has been cancelled due to lack of agenda.

Looking ahead, a reminder that the Newberg Public Library is holding their *Books & Bikes: A Bicycle Safety Program*, on Saturday, June 26, 2010, from 10 AM to 2 PM. This is a bicycle safety program geared toward grade-schoolers to promote safety and literacy. The first 200 children to attend will receive a free book. This program is sponsored by a grant from **ACTS Oregon**, thanks to follow up on the grant by TSC member Lesley Woodruff. For more information please contact Mary Lynn Thomas at 503 537 0304, or mary.thomas@newbergoregon.gov

Regarding the ACTS Oregon grant application, attached are the current mini grant applications, just opened and are due September 10th. However, there's no reason to wait until the last minute if you have a great idea.

Also, a reminder that a work session will be held immediately the July meeting. The work session will begin at 6 PM, on July 12, at which time we will review the draft update of the City Code pertaining to the Traffic Safety Commission. The work session will be followed by the regular meeting of the Traffic Safety Commission at 7 PM.

FYI – a notice has gone out in the Newberg School District e-mail and school newsletter soliciting student membership for the Traffic Safety Commission as well as the Planning Commission.

Lastly, at the last meeting of the Traffic Safety Commission, Chairman Michael Simpson announced his intent to resign from the Commission, citing work obligations. While I have not yet received his letter of resignation, you might begin thinking about his possible replacement as well as looking for a prospective new member for the anticipated vacancy on the Commission.

Do give me a call if you have questions regarding any of the above!

Regards,

Mary E. Newell
